B. Seller has agreed to sell the Property, and Buyer has agreed to purchase the Property, upon and subject to the terms and conditions of this Agreement.

AGREEMENT

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The purchase price for the Property shall be One Million Three Hundred Thousand and no/100 Dollars ($1,567,705.60) (the **"Purchase Price"**).

2. Buyer shall deposit with Madison Title Agency, LLC, 1125 Ocean Avenue #4577, Lakewood, New Jersey 08701, Attn: Amanda Stanford (the "**Title Agent**"), Twenty-Five Thousand and no/100 Dollars ($25,000.00) (the "**Initial Earnest Deposit**") within ten (10) business days of the full execution of this Agreement. The Initial Earnest Deposit shall become non-refundable as follows: Fifteen Thousand and no/100 Dollars ($15,000.00) shall be non-refundable upon Buyer's submission of a Section 42 nine percent (9%) tax credit application to the Arizona Department of Housing ("**ADOH**"), which shall occur no later than April 30, 2026.The remaining Ten Thousand and no/100 Dollars ($10,000.00) of the Initial Earnest Deposit shall be non-refundable upon written award of Section 42 tax credits from ADOH, but in no event later than June 30, 2026 (the "**Award Date")**.

3. The Initial Earnest Deposit in its entirety shall be non-refundable and immediately released to Seller on the Award Date. The Initial Earnest Deposit, and any subsequent earnest deposits (collectively referred to as the "**Earnest Deposits**") shall be credited towards the Purchase Price at closing (as defined hereinafter).

4. Buyer shall deposit Fifty Thousand and no/100 Dollars ($50,000.00) with the Title Agent within ten (10) business days of the Award Date (the "**Award Deposit**"). An award of Section 42 credits means that Buyer receives a formal letter from ADOH stating Buyer's award of tax credits. The Award Deposit shall be immediately non-refundable, immediately released to Seller, and shall be credited to the Purchase Price at closing. Buyer shall use commercially reasonable, good faith efforts to obtain an award of Section 42 tax credits from ADOH, and upon request, shall keep Seller reasonably apprised of the status of such efforts and obtaining the award.

5. At Closing (as defined below), Buyer shall pay the Purchase Price to Seller in cash or other immediately available funds less the amount of the Earnest Deposits released to Seller and subject to customary pro rations. At Closing, Seller shall deliver a transferable, recordable, special warranty deed to Buyer, or its assignee. The special warranty deed shall be prepared by Seller. The date set for conveyance of title to the Property ("**Closing**") shall occur on or before December 11, 2026 (the "**Closing Date**").

6. Buyer shall have three (3) options to extend Closing Date under this Agreement for an additional thirty (30) days per option by notifying Seller and delivering to Title Agent an additional earnest payment of Thirty Thousand and no/100 Dollars ($30,000.00) on or before the Closing Date then being extended (each a "**Subsequent Earnest Deposit**") for each extension. Any Subsequent Earnest Deposits shall become immediately non-refundable and released to Seller and shall be credited to the Purchase Price at Closing.

7. Buyer's obligation to consummate the Closing is conditioned upon title to the Property being free and clear of all liens and encumbrances other than those that do not unreasonably interfere with Buyer's intended development of the Property, as determined by Buyer in its sole discretion. No later than thirty (30) days following the Effective Date, Buyer shall obtain a title insurance commitment for the Property, and if any exception noted therein is unacceptable to Buyer, Buyer shall notify Seller in writing and Seller shall then have the right (but not the obligation) for thirty (30)calendar days from the notice date to cure such unacceptable exception. If Seller fails to cure such exception within such 30-day period and provide evidence to Buyer of such cure acceptable to Buyer, or Seller is unwilling to cure such unacceptable exceptions, then Buyer shall have the right to terminate this Agreement by written notice to Seller no later than ten (10) days following the expiration of such second 30-day period. In the event of termination, the Earnest Deposit shall be returned to Buyer, unless any Earnest Deposit, Subsequent Earnest Deposits, Award Deposit, or NEPA Extension Deposits are already deemed to be non-refundable.

8. Buyer's obligation to purchase the Property shall be subject to and contingent upon satisfaction to Buyer, at Buyer's sole cost and expense and in Buyer's sole discretion of the following contingencies on or before the Closing Date:

a. Buyer determining that it can obtain all governmental approvals necessary or desirable for the construction of the housing units and all related amenities on the Property.

b. Buyer determining that the Property is in compliance with the lender and investor environmental requirements.

c. Buyer completing due diligence on the site and market review to its satisfaction.

d. Buyer obtaining acceptable zoning approvals for the planned number of units and acceptable site plan approval by the appropriate government entity or entities.

e. Buyer determining that development of Property for Buyer's intended use is economically feasible.

f. Buyer determining that the environmental remediation plan and costs associated with environmental reports are acceptable.

g. Buyer receiving all necessary financing, including but not limited to a final reservation of Section 42 tax credits from ADOH.

9. If the contingencies in paragraph 8 above are not satisfied or waived by Buyer on or before the Closing Date, then Buyer shall have sole and absolute right to terminate this Agreement by written notice to Seller. Upon termination, all deposits deemed nonrefundable at the point of termination shall be released to Seller if not yet released, and neither party shall have any further rights, obligations, or liabilities hereunder. Buyer shall use commercially reasonable, good faith efforts to satisfy the conditions set forth above.

10. It is understood and agreed that during the contract period for the Property, Buyer and its agents shall have the right to enter the Property to conduct environmental tests, soils tests, or any other such non-intrusive investigation as deemed necessary by Buyer at Buyer's sole discretion and expense. Prior to Buyer or its agents conducting any testing or investigation involving physical disturbance of any portion of the Property, Buyer shall obtain Seller's written consent thereto, which consent shall not be unreasonably withheld, conditioned or delayed. Prior to entry upon the Property, Buyer shall provide Seller with copies of certificates of insurance evidencing commercial general liability insurance policies (naming Seller as an additional insured) which shall be maintained by Buyer in connection with its inspection upon the Property, which shall include commercial general liability coverage for bodily injury and property damage in the amount of at least $2,000,000.00 combined single limit. In addition, before entering upon the Property, Buyer will first provide Seller at least 24-hours advance notice thereof (email or telephonic notice being acceptable) so that a representative of Seller, if it chooses, can also be present during any such entry. Buyer will indemnify, defend

and hold harmless Seller from any claims, damages, or causes of action which might occur as a result of Buyer's or its agent's activities on the Property, and Buyer shall restore the Property to the condition existing before said tests or investigations were conducted. The provisions of this Section shall survive the Closing or the earlier termination of this Agreement.

11. Except as otherwise provided herein, during the term of this Agreement, Seller shall not, without the prior written approval of the Buyer, (a) make or consent to any material changes or alterations to any part of the Property; or (b) enter into any agreement of lease, easement or lien, whatsoever; or (c) enter into any agreement for the sale of the Property to a party other than the Buyer.

12. In the event of any cancellation, termination and/or default of this escrow by the Buyer per the terms as outlined in paragraph 7 & 8 above, Buyer shall provide to Seller within 5 business days from said termination date any and all of the Buyer's due diligence items relating to the property including but not limited to the following: all surveys; soils reports; environmental reports; feasibility studies and appraisals; architectural & civil plan and drawings in CAD format; MP&E drawings in CAD format; TIA reports; any other third party studies; City meeting notes, comments and approvals; etc.

Seller consents to the assignment by Buyer of all of its rights and obligations under this Agreement to an entity that is controlled by or under common control with Buyer. Notwithstanding, any assignment pursuant to this paragraph, the original Buyer shall remain fully liable for performance of all its obligations hereunder.

15. At Closing, Seller shall pay the cost of deed preparation. Seller agrees to provide Buyer a Special Warranty Deed subject to all matters of record and all matters that would be disclosed by an accurate ALTA/NSPS survey of the Property. 16. If, but only if the Closing occurs, Seller shall pay a real estate commission to Raymond Zogob pursuant to the terms of a separate agreement. Buyer acknowledges that Seller and/or its various officers, employees, and affiliates may hold Arizona real estate licenses as brokers and/or salespersons. Seller acknowledges that Buyer and/or its various officers, employees, and affiliates may hold Arizona real estate licenses as brokers and/or salespersons. The indemnity provided in this Section shall survive the Closing or earlier termination of this Agreement.

17. This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona. The parties irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the Yavapai County Superior Court for any actions,

suits, or proceedings arising out of or relating to this Agreement and the transactions contemplated hereby, and the parties agree not to commence any action, suit, or proceedings relating thereto expect in such courts.

18. If any term, provision, or condition contained in this Agreement shall, to any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term, provision or condition of this Agreement shall be valid and enforceable to the fullest extent provided by law.

19. This Agreement may be executed in several counterparts, each of which shall be deemed an original for all purposes and all of which together shall constitute and be deemed one and the same agreement. A party's signature on this Agreement transmitted or signed by facsimile or electronic transmission or electronic signature technology (for example, through use of a Portable Document Format or "PDF" file or DocuSign) shall be valid and effective to bind the party so signing.

20. This Agreement shall be binding upon the parties hereto and their respective successors, permitted assigns, heirs, executors, distributees, and personal representatives.

21. If prior to Closing any portion of the Property shall be taken by condemnation or similar right of eminent domain or like process ("**Condemnation**"), or damaged by casualty ("**Casualty**"), which Condemnation or Casualty shall materially affect the Property or Buyer's ability to develop the Property, Seller shall promptly provide notice to Buyer of such Condemnation or Casualty, and Buyer may elect to (a) terminate this Agreement or (b) proceed hereunder notwithstanding such Condemnation or Casualty, with a pro-rata reduction in Purchase Price based upon the percentage of the Property taken and/or damaged.

22. Buyer acknowledges and agrees that Buyer is a sophisticated purchaser of real property and is familiar with this type of real property and, other than the representations, warranties, and covenants expressly stated in this Agreement or in the instruments executed and delivered by Seller at Closing (the "**Express Representations**"), Seller has not made, does not make, and specifically negates and disclaims any representations, warranties, promises, covenants, agreements, or guaranties of any kind or character whatsoever, whether express or implied, oral or written, past, present, or future, of, as to, concerning, and/or with respect to the Property, including, without limiting the generality of the foregoing: (i) the value, nature, quality, or condition of the Property, including, without limitation, the water, soil, and geology, (ii) the income to be derived from the Property, (iii) the suitability of the Property for any and all activities and uses that Buyer may conduct thereon, (iv) the compliance of or by the Property or its operation with any laws, rules, ordinances, or regulations of any applicable governmental authority or body, (v) the habitability, merchantability, marketability, profitability, or fitness for a particular purpose of the Property, (vi) the manner or quality of the construction or materials, if any, heretofore incorporated into the Property, (vii) the manner, quality, state of repair, or lack of repair of the Property,

(viii) compliance with any environmental protection, pollution, land use, zoning, development, or regional impact laws, rules, regulations, orders, or requirements, including the existence in or on the Property of hazardous materials, (ix) the content, suitability, and/or sufficiency of any plans, plats, drawings, specifications, reports, studies, agreements, and/or documents with respect to the Property, or (x) any other matter with respect to the Property. Buyer further acknowledges that any information provided or made available or to be provided or made available to Buyer by Seller, or its officers, employees, agents, brokers, representatives, or others was obtained from a variety of sources and that Seller has not made any independent investigation or verification of such information and, makes no representations as to the accuracy or completeness of any such information, and such information was provided or made available or will be provided or made available solely as a courtesy, and that except for the Express Representations Buyer has the sole responsibility for determining the existence or nonexistence of any fact material to Buyer's decision to purchase the Property. Buyer acknowledges that, except for the Express Representations, Buyer is purchasing the Property on an "AS-IS", "WHERE-IS", and "WITH ALL FAULTS" basis, without any implied warranties, and Buyer accepts and agrees to bear all risks with respect to all attributes and conditions, latent or otherwise, of the Property. The provisions of this Section shall survive the Closing.

23. If Seller shall breach any of the terms or provisions of this Agreement or otherwise default at or prior to the Closing hereunder, provided that Buyer is not in default and such breach continues for two (2) business days after Buyer provides Seller with written notice thereof, Buyer shall elect, as Buyer's sole and exclusive remedy to either: (i) waive the effect of such matter and proceed to consummate this transaction, (ii) terminate this Agreement, in which event the Earnest Deposits shall be returned to Buyer, or (iii) file and serve an action within thirty (30) days of such default to compel specific performance of Seller's obligations hereunder, thereby waiving any other legal and equitable remedies against Seller. Notwithstanding the foregoing, if the remedy of specific performance is not available due to the willful misconduct of Seller, Buyer may pursue a claim for actual damages arising from such breach. In no event shall Buyer be entitled to seek recovery of, or recover, any indirect, consequential (including lost profits), exemplary, punitive, or other monetary damages other than Buyer's actual damages as set forth above.

If Buyer shall breach any of the terms or provisions of this Agreement or otherwise default at or prior to a Closing hereunder, provided that Seller is not in default and such breach continues for two (2) business days after Seller provides Buyer with written notice thereof, Seller may waive such breach, or Seller may, as its sole and exclusive remedy, terminate this Agreement and receive the portion of the non-refundable Earnest Deposits incurred at the date of termination as liquidated damages and as consideration for the acceptance of this Agreement and for taking the Property off the market, and not as a penalty. Buyer and Seller have determined and hereby agree that it would be impractical or extremely difficult, if not impossible, to ascertain with any degree of certainty the amount of damages which would be suffered by Seller if Buyer fails to purchase the Property in accordance with the provisions of this Agreement, and

the parties agree that a reasonable estimate of such damages under the circumstances is an amount equal to the non-refundable Earnest Deposits incurred at the date of termination. Nothing contained in this Section shall limit or prevent Seller from enforcing Buyer's obligations and liabilities which survive a termination of this Agreement.

24. The Property is subject to that certain Reciprocal Easement Agreement and Declaration of Restrictive Covenants dated January 17, 2014, and recorded as Instrument No. 2014-0002462, in the Official Records of Yavapai County, Arizona (as amended or supplemented from time to time, the "**Declaration**"). On or before the Closing, Seller shall execute and cause to be recorded against the Property a "Supplemental Declaration" to the Declaration which, among other things: (i) provides for Seller's right to review and approve the improvements initially constructed on the Property, which approval shall not be unreasonably withheld, conditioned or delayed, and (ii) grants to Buyer the right to one (1) sign panel on each side of the Multi-Tenant Sign established pursuant to that certain Supplemental Declaration for Parcels 1 and 2 recorded in the Official Records of Yavapai County at Instrument No. 2019-0015008, and grant Buyer the right to one (1) sign panel on each side of the Multi-Tenant Sign established pursuant to that certain Supplemental Declaration for Parcel 6 recorded in the Official Records of Yavapai County at Instrument No. 2021-0067132. Within fifteen (15) days following the Effective Date, Seller shall prepare and deliver to Buyer an initial draft of the Supplemental Declaration Seller shall provide approval of Buyer's concept plan through email, mail or personal delivery to contacts provided in Section 14 above. This approval, not to be unreasonably withheld or delayed, shall be provided one (1) time prior to full application submission on April 01, 2026, and one (1) time prior to the Closing Date.

25. THE PARTIES HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) BETWEEN THEM ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR ANY OTHER RELATED DOCUMENT.
